Ref No. 1246-1 Accts

Station ....., *Dated the* 18th May 1922. 191 .

From (Name) Major General G.G.Giffard, C.S.I.,K.H.S., I.M.S.,
(Designation) Surgeon General with the Government of Madras.

To The Secretary to the Government of Madras,
Local Self Government (P.H.) Department.

Sir,

With reference to the correspondence ending with G.O.No. 422 Medl Mis dated 25th August 1919, stopping the payment of he capitation grant to the Leper Asylum at Mangalore, with effect from 1st April 1919, I have the honour to state, that the Director of the Leper Asylum, has applied for the renewal of the capitation grant. The District Medical and sanitary officer, S. Kanara, who was asked to submit a report about the present condition of the Leper Asylum, after a thorough inspection, strongly recommends the payment of the capitation grant. (vide copy of the extract from the report, enclosed)

2. In view of the recent improvements carried out, and also of the satisfactory report of the District Medical and sanitary officer, S. Kanara, it is recommended, that the Government will be pleased to sanction the payment of the Capitation grant to the Leper Asylum Mangalore, with effect from the quarter beginning 1st April 1922.

3. The expenditure involved, can be met from the current year's allotment of Rs 40,000 "under 32 b.Medl-Hospitals and dispensaries-contribution to private Hospitals- capitation grants to Leper Asylums."

I have the honour to be,

S i r,.

Your most obedient servant,

Major General I.M.S.
Surgeon General with the Govern mt of Madras

Copy of the extract of letter No.Dis 144/M dated 4th May 1922 from the District Medical and sanitary officer, South Kanara, to the Personal Assistant to the Surgeon General with the Government of Madras.

xxx xxxx xxxx

It is obvious that no effort or expense hasbeen spared by the sincere and worthy Director of the institute to promote the welfare and comfort of the sorely afflicted derelicts of humanity under his care. Much was done for them in the past by this institute, more is being done at present. It filled me with regret to learn that the capitation grant had been stopped and I strongly recommend that it be resumed. After all is said and done, private enterprise is doing what in many countries would be considered a national charge. The ethics concerning the source of the revenues of the institute do not concern me at all, are largely matters of opinion and certainly have no bearing on the administration and efficiency of the leper asylum under consideration.

L.D.G. (P.H.)

Cny. 10387 from the S.G. No 1246-1 Accts dy 18.5.22

Subject:- Renewal of capitation grant - Leper Asylum, Mangalore.

Vs.

The St Joseph's Leper Asylum at Mangalore is one of the private Mission Asylums which the Govt have decided to utilize as an asylum under the Lepers Act, when the Act is introduced in this Presidency, for the compulsory segregation of lepers. This asylum was aided by Govt until 1st April 1919 and was getting a Capitation grant of Rs 3/- p.m. for each Indian inmate treated subject to the maximum of Rs 1700/- per annum. In Go. No. 422 Med dy 25.8.19, however, the S.G was directed to inform the Mission authorities of this asylum that no capitation grant could be sanctioned to them for 1919-20 unless certain defects pointed out by them were remedied before 1st April 1920. These defects had not apparently been attended to and hence the grant appears to have been withheld.

Go. 13260-r 12.7.16 (R)

The S.G. now recommends that the grant may be renewed with effect from 1st April 22 as it is reported that every endeavour has been made to

promote the comfort and welfare of the inmates. It seems desirable to do so, especially in view of the proposed introduction of the Lepers Act. A draft order is submitted for approval. It may be sent to Fin. Dept. for acceptance.
